Tender Reference No: RFP/SSL/ITPRDCT/2020-21/001

SHCIL Services Ltd (SSL) had invited bids from eligible bidders for "Integrated Trading Engine, Back Office software & Allied Products / Modules". Last date of RFP submission was 03rd June 2020. As no proposals were submitted, the last date for bid submission was extended to 17.06.2020. It was felt that due to pandemic situation, it was difficult for the bidders to submit the proposals by extended date (17th June 2020) and here not much interest was shown by the bidders. In view of above, management has decided once again to extend the last date of submission of proposal till 02nd July 2020 till 3.30 p.m. Further, we wish to inform that there won't be any further extension of the deadline and SSL would be proceeding with evaluation and further course of action with whatever proposals are received by July 02nd, 2020 (Even if one proposal is received by a technically qualified bidder). For details, please refer tendering portal www.shcilservices.com/Tender Notices. For any assistance, write to SSL.Tenders@Shcilservices.com.
