

Investor Risk Reduction Access' (IRRA) platform

The Investor Risk Reduction Access platform, also known as IRRA, is a platform jointly developed by stock exchanges as per the guidelines issued by SEBI vide circular no. SEBI/HO/MIRSD/MIRSD-PoD1/P/CIR/2022/177 dated December 30, 2022.

IRRA platform will be available in case of any technical glitches in member's trading platform for the purpose of providing opportunity to the investors to square off/close their open positions and cancel pending orders using the IRRA platform in case of technical glitches or unforeseen outages that render the Trading Member's site inaccessible.

It's important to note that the IRRA platform does not allow investors to place orders to create fresh positions. Its purpose is to facilitate the square off of open positions and manage pending orders only.

IRRA is not available for Algo trading and Institutional clients.

The IRRA platform is available for Trading Members supporting Internet Based Trading (IBT) and Security Trading through Wireless Technology (STWT) for their investors.
